Horse Name	Highfield Copper / Copper
Breed	Thoroughbred x Hanoverian, Sire: Redoute's Choice xx, Dam: Hannelore
Age	10 years
Height	16.0hh
Colour / Markings	Chestnut with wide blaze and two hind socks
Disciplines	dressage/ showing, eventing
Competition History	Competed and won/ placed at shows/ competitions
Farrier	shod
Feeding / Management	horse is fed hard feed
Vet Checks	past vet checks available, vet check can be done at potential buyers expense
General Terms Agreed	Yes
Gender	Gelding
Skills	train riding, low level jump schooling — cavalletti/ x rails, low level cross country schooling, not worried by fireworks, not worried by busy roads, not concerned by farm life - tractors, trucks, motorbikes, livestock, not concerned by dogs or other pets
Ideal Home	Looking for a committed amateur or junior competitor who trains regularly with a coach and wants a genuine, talented horse to develop their dressage or eventing career. Copper thrives with consistency, regular work, and lots of positive attention. He would also suit a more experienced pleasure rider who wants a reliable, beautiful horse to enjoy.
Signature	Jessica McAllister
Management	can be kept in a herd situation, management is entirely flexible
Second Name	McAllister
Phone Number	0411 222 333
Under Saddle	willing and responsive, puts in as much effort as required by the rider, soft and 'light' in the bridle, willingly collects, tolerant of rider mistakes, non-reactive unless something major happens, can be looky in certain situations
Fitness Level	In work ridden 3 plus times a week
Declaration	I agree
Gear Tack Needs	'light' and happy being ridden in a snaffle bit, no specific tack needed
Horse Requires	A rider who is under regular professional instruction.
Reason For Sale	Seller is expecting her first child and will not have the time or energy to give Copper the consistent riding and attention he deserves. It is a very difficult decision — he has been a wonderful partner.
Registrations	EA registered #TB-HAN-7812
Street Address	88 Bridle Track Road
Vaccinated For	Tetanus, Strangles, Hendra, Equine Influenza
Vices Or Quirks	cold backed at the start of each ride - tense, tail swishy but DOESN'T buck, pigroot or kick out, can be looky in certain situations, this happens but not regularly
Last Dental Date	October 2024
General Education	Well educated, Established level of education
Handling Behaviour	unflappable and calm, safe and easy to manage, easy to catch, well mannered on the ground, leads calmly and willingly, ties up happily and calmly without fuss or pulling

back, self loads or loads into float/ truck very easily, stands quietly when travelling, unloads calmly, easy and calm to clip, reliable for the farrier/ to handle when picking out feet, is good for the vet, easy to wash, tolerant of handler mistakes

at least three years, has independent hands and balanced position/ seat; can walk, trot and canter on their own horse. Rider is confident if the horse is reasonably well behaved. Prefers a schoolmaster type without any major quirks.

Currently Competing

	yes
Listing Service Type	1. Listing Service - commission/ completion fee due later (see terms)
Needs Work To Improve	Flying changes — he has the natural ability but needs consistent work. Currently confirmed at counter canter.
Additional Marketing	Featured Horsezone ad \$75
Last Vaccination Date	January 2025
Preferred Sales Price	\$22,500 firm. Horse priced to sell quickly — genuine sale.
Vices Additional Info	Cold back resolves completely after a 5-minute walk on a loose rein. Looky behaviour is situational — unfamiliar venues and windy days are the most common trigger. Entirely manageable.
Behaviour In Out Of Work	does not need regular riding to be reliable and safe, needs lunging before riding after a spell
Dental Additional Info	No dental issues noted — vet dentist very happy with his mouth.
Farrier Additional Info	Shod all four feet. 6-weekly farrier cycle. No corrective work required.
Feeding Additional Info	AM: 600g Mitavite Gumnuts + 300g Coolstance copra + 500g lucerne chaff. PM: same. Meadow hay ad lib overnight. Easy keeper — excellent condition on current regime.
Medical Additional Info	Daily Vitamin E & Selenium supplement as a preventative only. Clean bill of health — no history of lameness, injury, or illness. Pre-purchase vet check can be arranged at buyer's expense.
Photos Video Commitment	I will send this today
Rider Suitability Extra	Would suit a young rider - 18-24 yo, Would suit an amateur adult rider, Would suit a mature, older rider
Education Additional Info	Copper has had consistent professional training for 7 years. He is established through all three gaits, working on collection and extension. A very genuine, honest horse.
Medical Management Issues	no past or present medical issues, given supplements as a 'preventative'.
Suburb Town State Postcode	Goulburn NSW 2580
Management Additional Info	Currently paddocked with two other geldings. Settles happily in any management situation — very adaptable.
Under Saddle Additional Info	Copper has a beautiful, swinging trot and a lovely uphill canter. He can spook at unusual objects in the arena (plastic bags, flags) but recovers within a stride or two.
Rider Suitability Varies Info	With an experienced, confident rider Copper is a delight. He can pick up on rider tension and become slightly more forward-going, but nothing dramatic.
Digital Signature Confirmation	I understand the service that I have selected and confirm that I want to list the horse with PHS. To speed up the process, I will send photos and videos to 0428239317 via WhatsApp to confirm the listing - PHS will start drafting the ad and portfolio.
Competition History Additional Info	Multiple class wins at affiliated dressage competitions in NSW, including 2 x Grand Champion Hack at regional shows. Currently competing at Novice dressage and 80cm eventing.
